

*Dear Basic Ingredients,*

*Hi! We were at the Lake last week and stopped by Basic Ingredients for coffee and muffins. We were surprised by all the cool Newfoundland stuff in your shop, and we bought a bunch of shirts. We have been staying at Camp Wulamat with our family for over 30 years, and we are in love with the beautiful Lake. We are not really souvenir shoppers, but the quality and prices of your goods tempted us and we couldn't resist.*

*PS The pistachio muffins were THE BEST!*
